The ADVANCE has two staffs, a business staff and an editorial staff. The business staff is concerned with gathering ads, picking up the paper from the printer, distributing the paper and mailing the bills. The editorial staff assigns stories, rewrites and drafts the paper, proofs the paper after the first printing, finally polishes and sends it back for final printing. Both staffs must accomplish all this before their monthly deadlines.

Also, money from a spring car-wash was donated to the Y.M.C.A. fund. The "Best Girl" Banquet highlighted the year's special activities. The boys lived up to their creed by donating new uniforms to the reserve cheerleaders. They earned this money by washing cars last fall.

The riflemen began their year's activities during last summer when both the boys' and girls' teams won their sectional at the Indoor National Meet. Both teams also had the high individual shooter in their sectional. The team has had meets with Howe and Culver Military Academies, and with the Concordia, South Side, and Poplar Grove Rifle Teams. So far this year, J. Poffenberger, L. Hawkins and M. Black have obtained the praiseworthy position of Distinguished Rifleman; G. Bender, J. McCoy and J. Duguid should achieve this position by the end of the year. This was another successful year for the Trojan riflemen.

Varsity football was the big issue during the fall of 1960. The team started practicing during an August heat wave. The Trojans played a scoreless tie with the Archers of South Side at the Jamboree, September 6. The team played their home games at South Side. The team won 1 and lost 7. They beat North Manchester, 13 to 7. The team lost to: Bishop Luers, Garrett, Angola, Portland, Bishop Luers, Concordia, and New Haven. Tom Reuille, John King, and Jack Wetzel led on offense. Larry Schavey and Ron May led the team on defense. After the Jamboree, the team just couldn't seem to get a good ball game together. Try as they might the boys never could win. Our game with North Manchester was our only victory.

Twenty-three members of the 1960 Cross Country Team compiled a record of 7 wins and 4 losses. Practice began during the second week of August. Dave Waldrop, Reinhold Mueller, and Doug Gillie led the team through the 11 meet season. Our home meets were as follows: Bishop Luers, South Side twice, Central, Huntington, New Haven, Concordia, Central Catholic twice, Leo, and Huntertown. Reinhold Mueller turned the best time on the 2 mile course in 9:44 for a Trojan record.

RESERVE SEASON

The Reserves posted a 7 win, 13 loss season. The team was mostly composed of sophomores, with the exception of Ice and Hall, who are juniors. Hall, as a sophomore, had a broken elbow and didn't gain much experience. Coach Werling stated that the season was not a disappointment. Werling says that the Reserve team is for experience; and using this idea, he tried to play every boy. The boys have gained much experience for later use. Hall led individual scoring with a 7.35 game average; Horton followed with a 5.71 average.

VARSAITY SEASON

From the won-lost point of view, this season was not very successful. However, the strength of a team can not always be measured by its won-lost record. Although the team outscored their opponents 14 field goals in 21 games, their inconsistency at the foul line prevented them from winning many more games. The team did not lose a single player by graduation, and because of experience and poise gained this year, the team should be much stronger next year. Since Elmhurst is now considered a city school, its schedule will become constantly tougher.
